

Appl. No.: 10/656,695
Reply to Office Action of: 05/20/2005

REMARKS

Claim 4 has been canceled and its features have been added to claim 1. In view of the examiner's comment regarding claim 4 on page 3 of the office action, claim 1 should now be in condition for allowance. Thus, all the pending claims have either been allowed or should now be in condition for allowance.

For all of the foregoing reasons, it is respectfully submitted that all of the claims now present in the application are clearly novel and patentable over the prior art of record. Accordingly, favorable reconsideration and allowance is respectfully requested. Should any unresolved issue remain, the examiner is invited to call applicants' attorney at the telephone number indicated below.

Respectfully submitted,

Mark F. Harrington
